

roles:

enquêteur en chef: guillem

inspecteur ryo : Florian

La victime: nico

le coupable : jérém (motivation:

suspect français: Louis.

la victime décédé car il est roux,

Guillem : So... it's him

louis: yes

(G, inspecte le corps)

G: the Victim died from a gunshot directly to the neck, he died instantly. There is a gun case here, the weapon was a gun...(la ramasse avec ses gants) send it to the lab..

F : Yes sir

(F la prend et sort du champ)

G: All right, Mr Bernard what did you see from the murder

L: (With a very bad accent) I saw 2 person who were fighting in the street, they had weapons, guns probably. I heard a gun fire and one of them fell to the ground. The other one was running away from the corpse. I'm sure this is him.

G: Are you really sure ? There's something wrong about this case.

L: Sure!

(interrompu par F qui revient)

F: It's done boss.

g: So, who is the victim ?

f: We know who is the victim.

G: *And*

F: the victim's name is Titouan nchalos, he have 26 years old, he was to a party just before the murder. I think the murderer was with him. Can I tell you my theorie on this murder Boss?

G: Yes if you want.

F: I think it's a murder made by a serial killer, boss, a man who doesn't love the redhead and kill this poor delivery.

G: Euh... okay... and what are the clues?

F: I know it, that's all!! I'm sure of this.

G: Okay... , (to Louis) have you seen other things that you don't tell me Mr Bernard.

L: No, can I go please?

G: No, we'll take to the police station. Wait near to the car, we arrive.

(Louis s'en va)

F: There is a surveillance camera, it should have taken the face of the murderer.

G: Yes, but it's not sure, the camera doesn't look good.

(they take the camera, and analyse)

G: The camera is broken, someone has shoot on it?

F: Do you think we can repair it, to see what it filmed?

(...) later on the laptop

F et G regardent la video de la camera de surveillance, on y voit N et J se battre, sortir tous les deux un pistolet, puis on entend un coup de feu, et N tombe par terre et J prend la fuite. Ensuite arrêt sur image avec le visage de J assez net.

G : Launch facial recognition.

(Later on the police officer)

J est assis sur un chaise, F est devant lui. G arrive et s'assoit en face)

G : So you're Jackson

J : Yes

F: Do you know why you're here ?

J: No

G: You're here for the Murder of Titouan Nchalos (montre les photos du meurtre)

J: I don't know who this guy is.

F: We have proves that you were with this person this morning. A camera filmed you.

J: Ok I killed him.

G: You're the killer!!

F: Why killing this poor man (comme pour lui même)

J: It was my friend. This morning, after a party... we were drunk, and we had an argument. I had a gun with me, and I accidentally shouted on him. Then I ran away...

G: You under arrest in name of the law. You have the right to keep the silence.

(g emmène J avec les menottes, mais au même moment coup de téléphone(sonnerie pas sérieuse du tout) ...)

(F au téléphone)

F : I'll tell this to the boss.

(raccroche)

G: What's the matter?

F: Boss... We have a problem... He couldn't have killed Titouan.

G: Why?

F: The gun case, found near to the body, doesn't correspond to the Jackson's gun.

G: So who is the murderer?

F: By the way, our specialist found that the murderer was not on the camera, and was on the other side of the street. So the only one person who can be the murderer... is Mr Bernard!!!!

G: He is still on the police officer? Bring me Mr Bernard!!!!

(L arrive)

G: listen to me carefully cause I'm not going to repeat. You were walking on the street when you saw titouan and Jackson fight themselves. ...

F (le coupe) After analyses , we found that Mr Bernard is a serial killer. He kill only red-haired person.

G: So you saw that Titouan was red-haired and you took your weapon and killed him. (Flashback meurtre pendant qu'il parle) 1 bullet in the right of the neck. Jackson tough that he killed his friend, and to cover your murder you call the police.

J: Wait, It's not me?

F: I was right!!!

(silence dans la pièce)

F:(s'approche de louis) you're under arr... (louis me coupe me maitrise et menace)

L : One more step and I broke his neck.

(personne ne bouge, puis jérémy attrape un truc, s'approche par derrière et frappe louis)

F (au sol, a du mal à respire, a souffert de dark vador, puis) Thanks

G : (à louis) You're under arrest for the murder of Titouan Nchalos.

(On emmène louis hors camera)

Transition

(Au niveau de la scène de crime)

F : all right an other investigation done

(Plan drone qui s'éloigne, puis transition sur fin et générique de fin)

Post générique :

G et F avec jerem dans la rue, proche de la scène de crime, puis coup de feu, et ils partent en courant.

scène PAR scène : VUE DU CIEL , caméra descend tourne vers la bagarre. puis jérémy sort pistolet, écran noir, coup de feu puis scène suivante:

Je prend des photos de la scène de crime

scène 2: 3 persos (G F L) au niveau du cadavre. G examine le corps (découvre la douille), L raconte sa version des faits, et F fait une théorie bidon. découvrent la caméra, examine, et récupèrent la vidéo.

scène 3: (G et F) devant un ordi, regardent la vidéo de la caméra de surveillance. et commentent.

scène 4: interrogatoire de jérémy, on le fait craquer (faussement) il raconte tous, il explique qu'ils se sont disputés et qu'il a malencontreusement tiré sur lui. et il s'est enfui. Au moment ou on le coffre, rapport du labo, jerem ne peut pas avoir tiré la balle, et ne correspond pas à l'arme de jerem.

ça ne peut correspondre qu'à Louis. Donc on interroge LOuis et on découvre que louis est un serial killer de roux, on le coffre et fin.

trajectoire de la balle ne pouvant correspodre qu'à Louis.
